

AMEGA

Loyalty Cashback

[General provisions](#)

[Final provisions](#)

General provisions

Amega Loyalty Cashback (hereafter the **Loyalty Cashback**, or the **Promotion**) is a promotion that offers monetary rewards (herein **Points**) to Clients of Amega Markets LLC (herein **Amega**, or the **Company**).

The Promotion is open to both existing and new Clients.

The Promotion starts on 6th June, 2022.

The Promotion runs until the Company decides to terminate it. In the event of termination, no further Points will be earned from the date of termination.

Clients are able to redeem their Points any time. The minimum redemption amount is 100 Points. The rate is 1 Point to 1 USD.

The following terms shall have the following meaning:

- **Live MT5 account** means a real trading account with Amega
- **Client** means a physical person who have registered with Amega
- **Cashback wallet** means a wallet to which cashback from trading on all Client's Live MT5 accounts will be credited. Cashback wallets are created automatically upon Client's registration with Amega
- **Points** means virtual currency of cashback wallet
- **Cashback rate** means 5 Points per each lot; and
- **Trading volume** means volume of closed positions on such types of trading instruments as Forex and Metal. on the Clients Live MT5 accounts.

Rewards and Conditions Requirements

Points are automatically rewarded in the Cashback wallet in accordance with the trading volume and Cashback rate.

Being collected, Points can then be transferred to Client's Live MT5 accounts. Once Points are credited to a Live MT5 account, they turn into the currency of Live MT5 accounts. All Client's funds on their Live MT5 accounts then may be used for trading or withdrawn.

Example 1:

The Client has traded 22.50 lots of EURUSD pair.

The total Points received in the CashBack wallet will be $22.5 \times 5.00 = 112.50$ Points.

The Client may transfer up to 112.50 Points to his/her Live MT5 account.

The corresponding amount of up to 112.50 USD would be credited into the chosen Live MT5 account.

Example 2:

The Client has traded 11.00 lots of GOLD.

The total Points received in the CashBack wallet will be $11.00 \times 5.00 = 55.00$ Points.

The minimum amount to withdraw is 100 Points, so the Client needs to trade a little more Trading volume in order to reach at least 100.00 Points.

The history of all operations for which cashback was credited and/or debited in/out cashback wallet is available in the Client Area.

Final provisions

In the event that the Customer violates the Customer Agreement, these Terms and Conditions or the additional Terms and Conditions where applicable, the Company has the right to cancel a Customer's profit received from the Loyalty Cashback.

The list of the promotional restrictions specified in these Terms and Conditions is not exhaustive. The Company reserves the right to resolve any disputes at its own discretion.

The Company reserves the right to make amendments to the terms and conditions of each promotion as it deems necessary.

The Company reserves the right to exclude a Customer from participating in a promotion at any time without giving any reasons.

The Company has the right to close the promotion at any time without giving any reasons.
